

Session 7 Reporting and Recording

Page 117 facilitators guide.

“You will introduce the subject of presentation of data and common graphical errors. A PPT presentation is available [S7_Errors_in_graphs.ppt] and the handout on presentation of data should be introduced (a PPT presentation is also available).”

This should read:

You will introduce the subject of presentation of data and common graphical errors. A the handout on presentation of data should be introduced (a PPT presentation is also available), followed by a PPT presentation on common and obvious errors [S7_Errors_in_graphs.ppt].

Case detection evaluated on 2-1-07

Male: 13 = 48%
Female: 14 = 52%
PB: 16 = 59%
MB: 11 = 41%

New cases: 27
Transfer in: 1
Relapse: 1
Other: 1

Population: 300 000.

Case detection rate 2006: $27/300\ 000 \times 100\ 000 = 9/100\ 000$ population

Disabilities among new cases:

DG0: 17
DG1: 5
DG2: 4 = 15%
DG unknown: 1

Prevalence counted on 2-1-07:13

Cohort analysis done on 2-1-2008: Cohort 2006

	PB (n=16)	MB (n=11)
TC	12 (75%)	7 (64%)
Defaulted	3 (19%)	3 (27%)
Died	0 (0%)	1 (9%)
TO	1 (6%)	0 (0%)

Page 126: Presentation of information..... this must be re-arranged to become "7.5" (and not 7.4)

Page 130: Errors in graph presentation.....this must be re-arranged to become "7.6" (and not 7.5)

Page 133:

Dataset Mangeriathis must be re-arranged to become "7.4" (and not 7.6).

Also on the same page, the second table needs the following title "Manageria: cohort data per district 2002-2006" (not 2000-2006!).

On the same page the second table "Manageria: cohort data per district 2002-2006": here the row "year" can be deleted.

Page 135: Manageria presentation.

The correct graphs must replace the current ones. This will be sent separately in PPT format.
